Die Happy

They should put you in jail  
For your perfect looks  
You're the lady cocaine  
Powder make-up

You're a mystery linked with misery  
You're a treasure case  
Feeling naked

And everything is possible today

You can't buy and attitude  
It's not for sale  
Don't say you're  
Missunderstood  
You just kiss and tell

You can't buy and attitude  
like a pair of shoes  
No money in this world  
Can buy a better you

Mrs. Universe with her head in the sky  
Mrs. Love affairs  
come on, shake it!

They should put you in jail  
For your perfect looks  
You're the lady cocaine  
Powder make-up

And everything is possible today  
Just one thing's impossible  
Always!!!

Now you collide  
With the tears in your eyes  
Why don't you just smile
