

Black Vicious Monster

Die Happy

Can believe it's happening
Can believe this heavy spleen
Turned around your sight was gone black
It's a dream you don't belong
It's scary sounding song
You got burned and will never hide it

BLACK VICIOUS MONSTER IN YOUR HEART, BURNED BY THE
DARKNESS TUNNEL SIGHT
YOU'RE NECESSARY PART OF THIS ALL, NECESSARY PILOT
FLYING TROUGH IN THE NIGHT

Put a brick onto your wall
Make it sure that you don't fall
Haul your white flag up
Goodbye

BLACK VICIOUS MONSTER IN YOUR HEART, BURNED BY THE
DARKNESS TUNNEL SIGHT
YOU'RE NECESSARY PART OF THIS ALL, NECESSARY PILOT
FLYING TROUGH IN THE NIGHT

Rec: On monday it all crashed down. Goodbye

I wanna take your flag
I wanna hold your back
I want you to come back into life

BLACK VICIOUS MONSTER IN YOUR HEART, BURNED BY THE
DARKNESS TUNNEL SIGHT
YOU'RE NECESSARY PART OF THIS ALL, NECESSARY PILOT
NOTHING IN YOUR HEART LEFT TO GO ON, NOTHING IN THE
WORLD CAN SAVE YOUR SOUL
YOU'RE NECESSARY PART OF THIS ALL
YOUR MONSTER IS PILOT, FLYING THROUGH IN THE NIGHT
