

Coming Home

Die Happy

I wanna
See - hear - love - scream
Run - feel - sing - heal
Dare - breathe - dance - be
Laugh - kiss - cry - give

I wanna
Trust - grow - talk - know
Smile - play- help !
I want it all
Touch - share - cheer - care
Don't wanna hurt
Just wanna heal
I wanna live

Coming home
Got the world in my pocket
I'll never let it go
I'm coming home
To the place where I started
Why did it take so long

I wanna
See - hear - love - scream
Run - feel - sing - heal
Dare - breathe - dance - be
Laugh - kiss
I wanna live

I'm human
That is all I am
I've got something
I would never give away

I wanna
See - hear - love - scream
Run - feel - sing - heal
Dare - breathe - dance - be
Laugh - kiss
I wanna try to forgive
