

# Higher Ground

Die Happy

I'll let you know when I'm so far  
If you wait for me  
I just need a little time  
There's so much to organise  
If we want to succeed  
We should give it one more try  
Give it one more try

Would you come with me  
where I wanna be  
to this higher ground  
Would you cry for more  
when you see the shore  
of this higher ground

Take my hand so you can fly  
We will try again  
Leave the worries of your life behind  
Close your eyes and trust me  
I won't do you harm  
You should give it one more try  
We will give it one more try

Would you come with me  
where I wanna be  
to this higher ground  
Would you cry for more  
when you see the shore  
of this higher ground

Higher ground  
Higher ground  
Higher ground

Paradise  
beneath the sky  
Paradise  
for you and I

Would you come with me  
where I wanna be  
to this higher ground  
Would you cry for more  
when you see the shore  
of this higher ground

Higher ground  
Higher ground  
Higher ground
