gunshots fill the air - salute our bliss night bursts into flames - greets the final kiss death comes without a sound - rings the wedding bell target hits the ground - honeymoon in hell

shot - shot by both sides
in a war that won't cease
they give their lives
unheard cry for peace

cities under siege - where the snipers strike lovers out of reach - yearning out in the night take your lovers hand - meet your destiny down in noone's land - for eternity

. . .

CROSSFIRE! CROSSFIRE!
