

Moving Beyond

Die Krupps

Holding pieces of shattered dreams
Accepting nothing for what it seems
Closed minds-narrow vision
Results are the same-just total division

It's not a game taking pleasure in pain
Nothing to win and nothing to gain
Wake up to the big mistake
Those ways of life that make you break

Moving beyond-shedding the hate
Moving beyond-wiping the slate
Moving beyond-eith goals set high
Moving beyond-new ways to apply

Abuse this norm-slashing at the soul
Wreckage results of lost control
Taught from childhood-words of broken nature
Results of no good

I won't give up-I won't cave in
This is human nature-masterplan before life began
Generations of life rooted deep
It's scarred to think what the future will reap

Moving beyond
From this fragmentation-this crypted scene
I'm moving beyond-this wicked scheme
