

## Moving Beyond

Die Krupps

Holding pieces of shattered dreams  
Accepting nothing for what it seems  
Closed minds-narrow vision  
Results are the same-just total division

It's not a game taking pleasure in pain  
Nothing to win and nothing to gain  
Wake up to the big mistake  
Those ways of life that make you break

Moving beyond-shedding the hate  
Moving beyond-wiping the slate  
Moving beyond-eith goals set high  
Moving beyond-new ways to apply

Abuse this norm-slashing at the soul  
Wreckage results of lost control  
Taught from childhood-words of broken nature  
Results of no good

I won't give up-I won't cave in  
This is human nature-masterplan before life began  
Generations of life rooted deep  
It's scarred to think what the future will reap

Moving beyond  
From this fragmentation-this crypted scene  
I'm moving beyond-this wicked scheme
