

Part of the Machine

Die Krupps

I lay awake - I cannot sleep
Wait for a dream - the call of the machine
Yearn for the noise - that metal beat
Inside the steam - the heart of the machine
I feel the heat - and some ablaze
A metal stream - the wake of the machine
Remove the dust - the lazy rust
I make you beam - a man has machine
High grades of joint - prepare the flaws
And when you sheen - a man and his machine

A man and his machine

I feel you coal - i feed you ore
Insolent grin - a man and the machine
Control your moves - your running smooth
Endurance is routine - a man and his machine
When work is done - I fall asleep
Hide in my dream - a part of the machine
I feel the heat - the metal stream
It's in spin - the part of the machine
Part of the noise
Part of the beat
Part of this steam
A part of the machine

A part of the machine
A PART OF THE MACHINE
A PART OF THE MACHINE

A PART OF THE MACHINE
PART OF THE MACHINE

Control your moves - your running smooth
Endurance is routine - a man and his machine

A man and his machine
A man and his machine
A part of the machine

Part of the machine
PART OF THE MACHINE
Part of the machine
PART OF THE MACHINE
Part of the machine
