

Robo Sapien

Die Krupps

These muscles work relentless
My stamina is endless
Modified to outperform
Acceleration the new norm

All senses are advanced
Technology enhanced
Striving for perfection
Man is back in action

We are the human race
turning into robo sapien
Come feel my cold embrace
I am the robo sapien

We are the human race
turning into robo sapien
Come feel my cold embrace
We are all robo sapien

The body optimized
Potential maximized
For a clear spirit
there is no limit

We transform ourselves
to improve this race
Trans human machine
Ro-bo-sa-pien

We are the human race
turning into robo sapien
Come feel my cold embrace
I am the robo sapien

We are the human race
turning into robo sapien
Come feel my cold embrace
We are all robo sapien

Ro-bo-sa-pien
Ro-bo-sa-pien

We are the human race
turning into robo sapien
Come feel my cold embrace
I am the robo sapien

We are the human race
turning into robo sapien
Come feel my cold embrace
We are all robo sapien

We are the human race
turning into robo sapien
Come feel my cold embrace
I am the robo sapien

We are the human race
turning into robo sapien
Come feel my cold embrace
We are all robo sapien
