

Your Voice

Die Krupps

this is your voice - why don't you use it
words are your breath - how can you hold it
this is your mind - don't ever lose it
it is your heart - learn how to use it
this is your voice - why don't you use it
words are your breath
how can you hold it
this is your life - and you have to live it
this is your chance - so why don't you use it
this is your voice
why don't you use it
words are your breath
how can you hold it
