

Autumn Cannibalist

Die Mannequin

I dont know what I want
I dont know where I stand
between another man
I know but how bout you
I dont know what I want
so baby believe me do you want to go
no no doll, I know but how bout you
too bad darling now its done, Im dragging you down
take it all night baby we tried for so long now its done
Im dragging you down
I dont know where I stand now how bout you
I dont know what I want
I dont know where I stand between another man
dont know now how bout you
I dont know what I want
so baby believe me do you want to know
no no doll, I know now how bout you
(chorus...)..I know but how bout you
when Im lying next to you
Im fucking dead with you
I know but how bout you
too bad darling now its gone
Im dragging you down
take it all night baby we tried so hard now its done
Im dragging you down
take it home
good night baby we tried for so long now its gone
Im dragging you down
take it all night baby we tried so love now its done
Im dragging you down
I dont know where I stand now how bout you
I know but how bout you
