

# Do Anything You Wanna Do

Die Toten Hosen

Gonna break out of this city  
Leave the people here behind  
Searching for adventure is the type of life to find  
Tired of doing day jobs with no thanks for what I do  
I'm sure I must be someone  
Now I'm gonna find out who

Why don't you ask them what they expect from you  
Why don't you tell them what you are gonna do  
You'll get so lonely, maybe it's better that way  
It ain't your only you've got something to say

Do anything you wanna do  
Do anything you wanna do

Don't need no politician tell me things I shouldn't need  
Neither no optician tell me what I ought to see  
Noone tells you nothing even when you know they know  
But they tell you what you should do  
They don't like to see you grow

Why don't you ask them what they expect from you  
Why don't you tell them what you are gonna do  
You'll get so lonely, maybe it's better that way  
It ain't your only you've got something to say

Do anything you wanna do  
Do anything you wanna do

Gonna break out of this city  
Leave the people here behind  
Searching for adventure is the type of life to find  
Tired of doing day jobs with no thanks for what I do  
I'm sure I must be someone  
Now I'm gonna find out who

Why don't you ask them what they expect from you  
Why don't you tell them what you are gonna do  
You'll get so lonely, maybe it's better that way  
It ain't your only you've got something to say

Do anything you wanna do  
Do anything you wanna do  
Do anything you wanna do  
Do anything you wanna do
