

## Hand in Hand

## Die Toten Hosen

She follows me down to where I go  
She comes in a cloud but she don't know  
She walks in a haze do we get up  
Before it ever gets too late  
Hand in hand  
We walk on down  
The alley and our common ground  
We walk in a haze  
Do we pass out  
Before we ever know it's on

She ain't never gonna get wise  
She ain't never gonna get wise  
She ain't never gonna get wise  
and i feel better with my hands ties

She ain't never gonna get wise  
She ain't never gonna get wise  
She ain't never gonna get wise  
and i feel better with my hands ties

She follows me down to where I go  
Not pulling a chain  
Not feeling low  
Don't wake me up  
I can't relate to any other song today  
Hand in hand  
We walk along  
The alley and our common ground  
I walk in a haze why should i care  
I'm waiting out the days go anywhere

She ain't never gonna get wise  
She ain't never gonna get wise  
She ain't never gonna get wise  
and i feel better with my hands ties

She ain't never gonna get wise  
She ain't never gonna get wise  
She ain't never gonna get wise  
and i feel better with my hands ties
