Hand in Hand

Die Toten Hosen

She follows me down to where I go She comes in a cloud but she don't know She walks in a haze do we get up Before it ever gets too late Hand in hand We walk on down The alley and our common ground We walk in a haze Do we pass out Before we ever know it's on

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise and i feel better with my hands ties

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise and i feel better with my hands ties

She follows me down to where I go Not pulling a chain Not feeling low Don't wake me up I can't relate to any other song today Hand in hand We walk along The alley and our common ground I walk in a haze why should i care I'm waiting out the days go anywhere

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise and i feel better with my hands ties

She ain't never gonna get wise She ain't never gonna get wise She ain't never gonna get wise and i feel better with my hands ties
