

Pendulum

Diecast

You never understood any given day could be your final one
No room for regret, don't ever forget your being followed by

The swinging Pendulum, watch as it grows so close
Fall to the Swinging Pendulum, watch as it grows so close until
you are gone

We're chased all through time not knowing one day from the next
Numbers coming up, when will you cut the golden thread
Maybe it's not my time, maybe it's not your time
But we should live our lives in case there's no tomorrow
I won't be another statistic I'll be ready for the coming of th
e

Swinging Pendulum, watch as it grows so close
Fall to the swinging Pendulum, watch as it grows so close until
you are gone

Days turn into months, turn into years realize that we cannot l
ive forever
Days turn into months, turn into years realize that we cannot l
ive FOREVER!
Days turn into months, turn into years realize that we cannot l
ive forever
Days turn into months, turn into years realize that we cannot l
ive forever

You never understood any given day could be your final one
No room for regret, don't ever forget you're being followed by

The Swinging pendulum, watch as it grows so close
Fall to the swinging pendulum, watch as it grows so close until
you are gone

Maybe it's not my time, maybe it's not your time,
But we should live our lives in case there's no tomorrow
Maybe it's not my time, maybe it's not your time,
But we should live our lives in case there's no tomorrow
