

# Beautiful World

Dierks Bentley

All the noise and the voices are screaming what they have to say  
And the headlines and sound bites are giving me demons to hate  
And the man on TV, he tell me it's ugly but if you ask me it's a

Beautiful world, it's a beautiful world.

There's tears and there's fears and there's losses and crosses to bear  
And sometimes the best we can do is just to whisper a prayer  
Then press on because  
There's so much to live for and so much to love in this

Beautiful world  
Say what you will but I still believe  
It's a beautiful world  
It's a beautiful world

And I know I'm not dreaming  
I just choose to believe it

So I hate that I sometimes miss what's right in front of my eyes  
And I know at the end of my road I'll be wanting more time  
Just another sunset,  
One more kiss from my baby,  
A smile from my friend, in this

Beautiful world  
It's a beautiful world  
Year, it's a beautiful world  
Say what you will but I still believe  
It's a beautiful world  
It's a beautiful world
