## **Distant Shore**

## **Dierks Bentley**

Everyday I swim an ocean, fightin your memory like endless wave s

I surrender to the truth, I'll always love you, but I know some day

I'm gonna reach the banks of a distant shore, where I won't mis s you anymore

Once in a while I ride the river, of whiskey wishes from an old shot glass

But the way it used to be follows me downstream, so I keep knoc kin em back

Till I reahc the banks of a distant shore, where I won't miss y ou anymore

Someday I'm gonna get there, It migfht take my last prayer

One of these days I'm gonna cross that ocean, some sweet angel w ill set me free

And they'll tell my stories, sing a song about glory, and read Psalm 23

When I reach the banks of that distant shore, where I won't mis s you anymore

Gonna rest my soul in the hands of the lord, where I won't miss you anymore
