

## Woman, Amen

Dierks Bentley

I'd lose my way and I'd lose my mind  
If I faced one day on my own  
I know I was saved  
The night that she gave this drifter's heart a home

Every night I should be on my knees  
Lord knows how lucky I am  
I'll never say near enough  
Thank God for this woman, Amen

This world has a way of shaking your faith  
I've been broken again and again  
But I need all the cracks in my shattered heart  
Cause that's where her love gets in

Every night I should be on my knees  
Lord knows how lucky I am  
I'll never say near enough  
Thank God for this woman, Amen

She gives me faith  
She gives me grace  
She gives me hope  
She gives me strength  
She gives me love  
Love without end  
Thank God for this woman, Amen

Thanks for the moon and the stars up above  
Forgiveness' a sin in your undying love  
Every twist every turn for the way you made sure  
All my roads led to home

So tonight I will fall down on my knees  
Cause Lord knows how lucky I am  
I'm gonna shout at the top of my lungs  
Thank God for this woman, Amen  
And thank God for this woman, Amen

She gives me faith  
She gives me grace  
She gives me hope  
She gives me strength  
She gives me love  
Love without end  
Thank God for this woman, Amen
