

# Incarnation Of Evil

Dies Irae

You pray  
You kneel  
You worship  
For thousands years  
You sacrifice  
I am the holy son  
Created from the chaos  
As the god of the race  
Of humanrats  
As the heir of evil  
I rule on earth

You pray  
My will  
You sacrifice  
My will, my vanity

All energy and faith  
All hassle and pain  
Gaol in the garden  
Legacy of sin  
Radiant sign  
Of incarnated evil  
You pray my will  
You sacrifice my will, my vanity

You pray  
You kneel  
You worship  
For thousands years  
You sacrifice  
I am the holy son  
Created from the chaos  
As the god of the race  
Of humanrats  
As the heir of evil  
I rule on earth

You pray  
My will  
You sacrifice  
My will, my vanity

Toppled sculpture  
The godhead in ruins  
Outflow of goodness  
As my reprisal  
Ruthless I am  
And incarnation of evil
