

15 Feet Of Snow

Diesel

These day-ay-hays
The sun ain't shinin' in my roo-oo-hoom
At ni-i-hight
I've been feelin' angry at the moo-oo-hoon
Maybe I've been losin' my mi-hind
But the things you hide so deep in your hear-heart
Well I know I can fi-i-hi-ind

I'll go-o-ho wherever your love light show-ow-hows
Through fifteen feet of snow-ow-how
If that's where I have to go-o-ho, oh-oh-hoh

I loo-oo-hooked
Into your eyes and felt so alo-o-hone
Is that you-ou-hou
The lights are on but nobody's ho-o-home, hoh-hoh
Maybe I've been losin' my mi-hind
But the things you hide so deep in your hear-heart
Well I know I can fi-i-hi-ind

I'll go-o-ho wherever your love light show-ow-hows
Through fifteen feet of snow-ow-how
If that's where I have to go-o-ho
Just to feel your glow-ow-how
Hoh-oh-hoh

Hoh...
Hoh-oh-hoh-hoh

And I'll go-o-ho wherever your love light show-ow-hows
Through fifteen feet of snow-ow-how
If that's where I have to go-o-ho
Just to feel your glow-ow-how
Hoh-oh-hoh

I'll go-o-ho (go-o-ho)
Wherever your love light show-ow-hows (show-ow-hows)
Through fifteen feet of snow-ow-how (snow-ow-how)
Oh-oh-oh
Yeah I'll go-o-ho (go-o-ho)
Wherever your love light show-ow-hows (show-ow-hows)
Through fifteen feet of snow-ow-how (snow-ow-how)
Oh-oh-oh
