## Jettin'

**Digable Planets** 

We jettin, we jettin, we jettin uptown We jettin, we jettin, we jettin downtown We jettin, we jettin, we jettin crosstown We jettin, we jettin, we jettin, we jettin We jettin uptown (uptown) We jettin downtown (downtown) We jettin crosstown We jettin all around No wonder, no wonder, 8th wonder, 8th wonder 's Funkay I live Brooklyn like year 24 for sure Saw C-know in my tennis skirt(?) And the kick hurts so good that I gotta sorta accents for this Now here's a nation for my Nation cuz I place you on the dynomite Right? The creamin' to schemin' to get it Right demeans almighty dolla The green power, let loose for the hour I chose the Black Power, extra fly joint for mocha to yellow paper And you know I don't delay Together with my honey like silk to sew We grow and take you back to like afros And no quittin or gettin jumped by the system Its all day, all play got verbs and such And cuts and crew, no blue eyes To emulate, some straight but yea we straight up Funkav Ease back, the g's back as an o.d. gettin Funkay The sun sets, you vex, we gets, mad Funkay East coast to west we stays fresh Ezay Smoke rise from the borrough where that black cool blow(?) The globe spins, jims is drop No fakin, no bakin three bridges fo money makin Crooklyn, the ep swinger's lounge-out spot Roll when I pass lake up drop my saz Grab my mic-ro, you know how we do in the joint Do a borrough check to see exactly who in the joint Hot spots, city streets lot spots and jeeps As a flow-er I'm Nile, rivers of style (fresh kid) Yea, stories complete (fresh kid) Rollin on them New York streets With them no-poor beats at the parliment 7s up C-know steelo no equal, but the sun and that's Funkay Ease back, the g's is back as an o-d gettin Funkay The sun sets, you vex, we gets, mad Funkav

East coast to west we stays fresh I say Quicklay Smoke rise from the borrogh where that black cool blow Its that naykle slick near keep it deep from my heads Let a fed up, appearin in my camulflage My hustler walk's in New York Su fronts say Gucci we make lucci, and never hesitaste the setting Slap hands with my hands from the lands of Crook Bein lovely over jams that's on the flams w/hook Bear muffs, wear cush, it's Flatbush Hear the mental's instramental cuz it's ash to dust I like to hit live deep, keep fam tight tight Keep the vocal strictly any joint, it's right Let me fly Ease back, the g's back w/the r Sun is in, the clouds on loud I got raised by the blue street lights of four cities My heros died in prison: George Jackson Action, she's Buttaflyin, I'm cool eyein And I rock snow low unless a scrambler got Me and my honey, we be like Bobby and Erica Me and my monies, we'll hurt you boulevard and..(?) One love, gun love come free the land w/us Pigs they cannot shoot this plush and creamy lavishnuss Before I pop I'd rather die in baggy Guess and Timbs And I put that on the BKLYN and that's Funkay Ease back the g's back as an o.d. gettin Funkay The sun sets, you vex, we gets mad Funkay East coast to west we stays fresh and we do it on the Slicklay

Smoke rise from the borrogh where the black cool blow

We jettin, we jettin, we jettin uptown...
