

I'd give you the world
If it would mean anything
Despite your reaction
I can't help but believe
That maybe inside
You feel the same
I'm killed by the question
That surrounds your name

Do you feel the way I do?

So break my wings and watch me fall
Cause I'm broken
When I look at you
And if I cut myself would you bleed too
Would you feel everything I do
Would you feel the way I do

I'm falling apart
It's like so hard to see
I didn't give you my heart
You just took it from me
This feeling of anger
It just won't go away
I'd give anything
Just to hear you say

Do you feel the way I do?

So break my wings and watch me fall
Cause I'm broken
When I look at you
And if I cut myself would you bleed too
Would you feel everything I do
Would you feel the way I do

Can you feel it inside yourself
What would you feel
Would you feel it in your heart
Can you feel this inside
The pain that won't go away

So break my wings and watch me fall
I'm broken
When I look at you
And if I cut myself would you bleed too
Would you feel everything I do
Would you feel the way I do
Would you feel the way I do
