

Just Run

Digital Summer

You've been running your mouth
For quite a while now
Think you've got what it takes
Well let's find out
Will you back down
Or will you stand your ground

Take my advice and just

Run away when you feel the pain
Surround you
'Cause this fight has just begun
I'm not afraid to break your
Pretty face and I will
So my advice to you is JUST RUN!
JUST RUN!

Keep on talking we'll find out
What you're made of
I'm bringing something for you
To be afraid of
From your first mistake
To the last breath that you take

You'll remember my name so just

Run away when you feel the pain
Surround you
'Cause this fight has just begun
I'm not afraid to break your
Pretty face and I will
So my advice to you is JUST RUN!
JUST RUN!

Different face but the same old story
You stare me down 'cause
You think that you know me
But I'm no stranger to this type of game
Every time it always end the same
They say what you don't know
Can't hurt you
But in this case
That's just not true
If you keep pushing me
The way you do
There's no telling
What I will do to you!

Run away when you feel the pain
Surround you
'Cause this fight has just begun
I'm not afraid to break your
Pretty face and I will
So my advice to you is just
Run away from the pain
I promise you it's more
Than you can take

Run away
Don't you understand
You should run away
While you still can
JUST RUN!
JUST RUN!
