

# This Time

## Digital Summer

The image slips away,  
And I'm left here with nothing  
The memories of words that I didn't say  
If I had a choice  
To turn back the page  
I'd take you and fly away

(This time)  
I don't care what it takes this time  
I'll do anything to make things right  
The hardest day of my whole damn life  
Was the day that I said goodbye

(This time)  
I don't care what it takes this time  
I'll do anything to make things right  
The hardest day of my whole damn life  
Was the day that I said goodbye

I'm sorry I was gone  
But now I know how you feel  
I try to think of anything but the pain  
If I cut myself today  
Will I bleed tomorrow?  
Will you remember me?

(This time)  
I don't care what it takes this time  
I'll do anything to make things right  
The hardest day of my whole damn life

Was the day that I said goodbye

(This time)  
I don't care what it takes this time  
I'll do anything to make things right  
The hardest day of my whole damn life  
Was the day that I said goodbye

I'm all for you  
I'm all for you  
I'm all for you  
I'm all for you  
Everything,  
This time we'll fly away  
Let go and fly away  
Soon fly away  
So fly with me  
I'd risk everything  
I'd take everything  
I'd risk everything  
I'd take everything

(This time)  
I don't care what it takes this time  
I'll do anything to make things right  
The hardest day of my whole damn life  
Was the day that I said goodbye  
(This time)

I don't care what it takes this time  
I'll do anything to make things right  
The hardest day of my whole damn life  
Was the day that I said goodbye
