

# Today

## Digital Summer

And Today could be,  
The last day you ever see  
Ask Yourself did you even try  
Tomorrow's no guarantee  
And what if you should die?

Could You tell me  
What are You waiting for?  
(what are you waiting for)  
Said you always wanted more  
(said you always wanted more)

There is no Tomorrow  
There is just today  
There is no forever  
Don't let it slip away  
(don't let it slip away)  
But already at today  
So don't wait  
So don't wait

I don't believe in prophecy  
I don't believe it's one fate to decide  
I rather take my chance at sea  
Then just try and try and try to survive  
A 9 to 5 a daily suicide

So tell me  
What are you waiting for?  
(what are you waiting for)  
No excuses anymore  
(no excuses anymore)

And there is no Tomorrow  
There is just today  
There is no forever  
Don't let it slip away  
(don't let it slip away)  
But already at today  
So don't wait  
Just don't wait

There is no Tomorrow  
There is just today  
There is no forever  
Don't let it slip away  
I can't...?  
I rather die  
Daily suicide  
(daily suicide)

And there is no tomorrow  
So what are you waiting for?  
(what are you waiting for)  
Said you always wanted more  
(said you always wanted more)

And there is no Tomorrow  
There is just today  
There is no forever  
Don't let it slip away  
(don't let it slip away)  
But already at today  
So don't wait  
(I rather die)  
Just don't wait  
(daily suicide)
