DIIV

You'll never have a home,  
you'll never have a home,  
you'll never have a home,  
until you go home.

You'll never have a home,  
you'll never have a home,  
you'll never have a home,  
until you go home.

You'll never have a home,  
you'll never have a home,  
you'll never have a home,  
until you go home.

You'll never have a home,  
you'll never have a home,  
you'll never have a home,  
until you go home.
