

Expansion Team Theme

Dilated Peoples

You got light, don't wait till its dark to as questions

You should check the signs, symbols, hits, clues
The writings on the wall but it's up to you
Expansion Team Dilated Peoples Crew
(What you wanna do is watch for clues)

You should check the signs, symbols, hits, clues
The writings on the wall but it's up to you
Expansion Team Dilated Peoples Crew
And if you still don't know, this is how we do

There ain't nothing as bright, as heavy as light
As dark as night, as set to strike
As ready as right, as loose as tight, as quick to expand
As we on the mike

There ain't nothing as bright, as heavy as light
As dark as night, as set to strike
As ready as right, as loose as tight, as quick to expand
As we on the mike

If it was a snake it would have bit ya'
Slithered up like a boa-consticta and griped ya'
Step back and beat the big picture
These cats as though in my head
I charge the mound just to get the picture

Bitch clearest specialist better hit ya'
But never miss ya'
Y'all need to double check the scripture
Deco, Deco, unload, reload
Pressin' heights Peco, live like Steve Beko

Piss on trees and leave marks to graffiti
Even gang graffiti though I'm for the peace treaty
Frustrated cats we hussle but still needy
And whistle like Twity when we see the L.A.P.D.

We going four for score for the prize
You need to see with more than your eyes
It's war in disguise
Tanfa callas are vagrants, this goes for every agent
Some are camouflaged others are very blatant

You got light, don't wait till its dark to as questions

You should check the signs, symbols, hits, clues
The writings on the wall but it's up to you

Se keep your torch lit, light your flares, have back ups prepared
Wait for the enemy, war is declared
Expansion Team Theme music anthem
Got colored schemes hot, peak lovers red at random

Up close and personal, songs from my journal
My lyrics are the ink, my reflection is eternal
These words are powerful, so hard to describe
Type to raise eye brows and open eyes

But what we did, get your hands dirty, fingers dusty
I've been around the world, you haven't, you could trust me
Line them up, knock them down

Keep them cocked, beats and vocals
If you fuck with these locals catch ghost busters logo
Channel Zero

Separate suckers from heroes, recorded digital Bobby Deniro
Load your base bags, put on your gloves, lace the shoes
Keep your eyes open for signs and ears open for clues

You got light, don't wait till it's dark to ask questions
You should check the signs, symbols, hits, clues
The writings on the wall but it's up to you
