How you doing?

First and foremost, I am a huge fan of your work. I mean, I've been following you since your early days of Instagram...

Oh...

It's really great to meet you

Where's your inspiration come from?

Just everyone around me, you know, from Alchemist on down to, R akaa, you know, my mom. Everybody. You know, anybody around that I'm inspired by

That's awesome. Do you prefer working indoor or outdoor?

Um, uh, psh, I don't really know any outdoor studios, so I'm gonna go with indoor

I'd love to talk about music

Cool, Dilated Peoples album...

You're putting out a photo album? That's great! When does that come out?

No-no, music. I'm in a music group called Dilated Peoples. Rap group. Are you serious?

That's co- I mean, I used to be in a band, it's just a real-
really fun thing
