Fuck the minors, this here's the major leagues Where more chicks call you "Papi" than Dave Ortiz Stand in the booth, barely at ease Right shoulder 'gainst the wall 'til my rhymes release

Sharpest beats, broadcast from Jupiter Got boots on, now we know Bush is Lucifer First thing you learn is the hardest to forget First thing you learn, you just a artist in debt

Unheard of in rap, I arrived on time again Call me Ev but don't call me after 9 P.M. Wordplay sharp like clippers line my bangs Wordplay sharp like Lil Jon's fangs

Wherever we go, remain on point
And I master rap music, every day like Tom Coin
2 4 7 flow sick like cancer sticks
All I want from rap is one of the fancy chicks

Bank accounts, couple cribs, couple whips
The funniest shit, this money's legit
You bet I bounce, couple kids, couple dips, couple ounce
American supersized in large amounts

Don't look down, Evidence I rap at you Paint visuals that's spittacular Catch my frequencies, suckers never play me though Bendin' C.A., I'm satellite radio

We lost Shaq to the Heat like we put a match to it Debatin' if Kobe's righteous or if the cat's Judas And Rakaa's about action, you can react to it Droppin' science like a bad student, like a grad student

Media reigns like a meteor shower Claimin' the love of God and put your feet on the flowers Off to Hollywood, makin' sure the streets have the power On the roof of the Avalon with the bead on the tower

And they never heard the click-clack, alibi I was back in Tokyo snackin' on banana Kit-Kats Or Amsterdam in Damkrane tryin' to twist back Rap vigilante revenge over these thick tracks Heavenly glow with the heavyweight flow Like Atlas with the globe, trial of strength with the globe Addin' pages to passports, we stay on the go Rollin' with cats that really run L.A. on the low

Where models are like winter kids playin' with snow Where poor pray to get rich and rich prey on the po' Transmittin', suckers never playin' me though Hit city, L.A., C.A., satellite radio
