Now turn it up, turn it up (a little louder)  
turn it uuuuup, turn it up (little louder)  
now turn it up (can't live my, I, I can't live my)  
(I can't live my, I, I can't live)  
now turn it up, turn it up

I, I can't live my, can't live my  
yeah, yo I can't live my I, I can't live my  
life this way, continuouly get high  
instead of runnin 'round, lock one bird down  
it's a new day gotta do it big just to get right  
show no respect can't live that way  
you hold my check can't live that way  
without my chick on deck, can't live that way  
they say what they like, but I've been that way  
Our moves calculated through the lens, almost here  
succes will be the best revenge  
man, from Clint East' to Kanye West (whut up, whut up!)  
the sun can't chill but everyday it sets (everyday!)

this time I made up my mind  
this time I'm back on my prime  
I know there's thing in my life  
that I'ma let go startin tonight  
(I can't live my, I, I can't live my)  
(I can't live my, I, I can't live my)  
I can't live my, I, I can't live my  
I can't live my life this way (can't live my, I, I can't live my)  
this way (I can't live my, I, I can't live my)  
this way, I can't live my, I, I can't live my  
I can't live my life this way

Kanye Chedda  
My favorite girl wanna leave me just because I got a girlfriend  
my freak girl told me "now, she a christian"  
my white girl wanna move back to Michigan  
I'm pullin girls off the bench like a sixth man  
I'm in the club doin the same ol' two step  
while Omegas doin the same ol' "Q" step  
I have my money on my mind I was thinkin green  
she a pledge A.K.A. "she was pink and green"  
I wanna a good girl she want a gentleman  
we sayin' the same thing like a synonym  
I wasn't really spittin game I was scrimaging  
my penmanship's so hard it needs censorship  
I'ma Chicagoan till Chicago ends  
till we blow like Chicago wind  
I don't know what's better, gettin laid or gettin paid  
I just know when I'm gettin one, the other's gettin away  
this way

Go 'head, flip a coin so the game don't stop  
believe I know the drama, kid name the part  
I learnt before the hot flame came the spark  
it's like 'fore the pop fame came the park  
but this industry'll play with yo' life man  
they playin with yo' rent, food, water and lights man (yeah)

that's why Rakaa brings it like that ol' "Tidy T" jam  
the battleram, then I'm off to Amsterdam  
to rest up for strength to deal with this weight  
to deal with these deals to deal with this hate  
I dedicate this Jam Master Jay  
Run-D.M.C. showed me how to walk, this way
