Love In The Middle Of A Firefight

Dillon Francis

There's a war we can't ignore, waging silence on our lives We will overcome, let the cowards run and hide We were born to take it back This is revelational I am not afraid Love is coming out to play

They'll chain our hands And close the door There's nothing worse Than wanting more We come outside They run and hide In the morning sun, baby, we were born to run

Na, na, na, na, na, na This ain't over, we own the night Na, na, na, na, na, na Love in the middle of a firefight Na, na, na, na, na, na This ain't over, we own the night Love in the middle of the firefight Na, na, na, na, na, na (Whoa-oh-oh-oh (2x)) This ain't over, we own the night Love in the middle of the firefight Na, na, na, na, na, na (Whoa-oh-oh-oh (2x)) This ain't over, we own the night Love in the middle of the firefight Na, na, na, na, na, na (Whoa-oh-oh-oh (2x))

The world stops turning I'll be searching for dreams we've never known If the words of saviors fight unwavered There's no place we won't go

Cause there's a world outside that's undiscovered They'll not gonna dream as big as us We come outside They run and hide In the morning sun, baby, we were born to run

Na, na, na, na, na, na This ain't over, we own the night Na, na, na, na, na, na Love in the middle of a firefight Na, na, na, na, na, na This ain't over, we own the night Love in the middle of the firefight Na, na, na, na, na, na (Whoa-oh-oh-oh (2x)) This ain't over, we own the night Love in the middle of the firefight Na, na, na, na, na, na (Whoa-oh-oh-oh (2x)) This ain't over, we own the night Love in the middle of the firefight Love in the middle of the firefight
