

Altering winds swept away what once was  
Hidden beneath guarded shadows and shores  
Shifted perspectives, changed to the core  
Landscapes I knew exist no longer

Altering winds swept away what once was  
Hidden beneath guarded shadows and shores  
Shifted perspectives, changed to the core  
Landscapes we knew exist no longer

Where are you?  
I lost you

Where are you?  
I lost you

Where are you? (4ever apart)  
I lost you (4ever apart)

Where are you? (4ever apart)  
I lost you (4ever apart)
