

4ever

Dillon

Altering winds swept away what once was
Hidden beneath guarded shadows and shores
Shifted perspectives, changed to the core
Landscapes I knew exist no longer

Altering winds swept away what once was

Where are you?
I lost you

Where are you?
I lost you

Where are you? (4ever apart)
I lost you (4ever apart)

Where are you? (4ever apart)
I lost you (4ever apart)
