

## Never Let You Go

Dima Bilan

Heavy clouds, no rain  
And every move causes pain  
Ready kiss, but no love  
I feel i'm torn in half  
Burning look, but no heat  
It's not you really need  
Baby now it's happened with us  
We are dancing on broken glass  
Can't stand no more

Never, never let you go  
You are the one i'm searching for  
Flesh of my flesh,  
bone of my bone  
Love's carving it in the stone  
Never, never let you go  
Return the days we had before  
Soul of my soul, blood of my blood  
Love's carving it in my heart

Gentle words, no aim  
It seems we're playing a game  
Easy smile, but no fun  
Sweet music for no one  
Close embrace, but no more  
Cold champagne we forgot to pour  
Baby now it's happened with us  
We're dancing on broken glass  
Can't stand no more
