Through The Virgin Sky

Dimension Zero

The End!

Their eyes are opened, Slowly they're starting to breathe The sky is growling in wrath, Thunder and lightning is released Aware of each others powers, A feeling of battle appears Facing the heavens in anger, A carnage is soon to await

Through the virgin sky Raping the surface Penetrating earth Powers from the lost world

Total fucking chaos, The ancient rises again Erased is the hope, Sudden death to come

Through the virgin sky Raping the surface Penetrating earth Powers from the lost world

Visions from the past Marching into war Unleashed upon the earth Killing all that breathes

Through the virgin sky Raping the surface Penetrating earth Powers from the lost world
