

# Mourning Palace

Dimmu Borgir

## 1. Mourning Palace

Daylight has finally reached it's end  
As evenfall strikes into the sky  
Far away in the dark glimpsing moonlight  
Sickening souls cry out in pain

Whispering voices summoning screams  
Waiting for Satan to bless their sins  
Blackhearted angels fallen from grace  
Possessed by the search for utter darkness

Hear the cries from the Mourning Palace  
Feel the gloom of restless spirits  
Hear the screams from the Mouring Palace  
Feel the doom of haunting chants

Eternal is their lives in misery  
Eternal is their lives in grief  
Abandoned in a void of nothingness  
A chain of anger, a fetter of despair

In this garden of depraved beings  
This unsacred place of helpless ones  
Satan blessed the creatures  
Inswathed them in endless night

Whispering voices, summoning screams  
Waiting for Satan to bless their sins  
Blackhearted angels fallen from grace  
Possessed by the search for utter darkness
