

Puritania

Dimmu Borgir

We do away with your kind
Countdown to exterminate the human race
4, 3, 2, 1

Let chaos entwine
On defenseless soil
Remove errors of man
And sweep all the weakening kind

I am war, I am pain
I am all you've ever slain
I am tears in your eyes
I am grief, I am lies

Bygone are tolerance
And presence of grace
Scavengers are sent out
To cleanse the human filth parades

I am pure, I am true
I am all over you
I am laugh, I am smile
I am the earth defiled

I am the cosmic storm
I am the tiny worms
I am fear in the night
I am bringer of darklight

Earth successfully erased
