# I Didn't Mean To Hurt You

**Dina Carroll**

You mean more to me than anything
I swear to God you know that it's true
You showed me how love could be so beautiful
I can't conceive the thought of living through
One night without you here
Asleep next to me

I've always known inside I was the lucky one
To have the right to call you my own
To find someone who understands the give and take
It just don't come easy in this world
But now I sit alone
Just wondering if I've thrown it all away

I didn't mean to hurt you baby
I didn't mean to let you down
No, I didn't mean the things I said or did
No way, no how
I didn't mean to disappoint you
I didn't mean to tell you lies
No, I didn't mean to hurt you baby
And I won't forgive myself
Till I make it alright
Gonna make it alright

How could I have ever been so foolish
When you put so much faith in me
I feel the shame, I feel the pain of hurting you
I can't hold my head up to anyone
I hope I have not lost
The only thing, the only thing I ever loved

I didn't mean to hurt you baby
I didn't mean to let you down
No, I didn't mean the things I said or did
No way, no how
I didn't mean to disappoint you
I didn't mean to tell you lies
No, I didn't mean to hurt you baby
And I won't forgive myself
Till I make it alright
Gonna make it alright

Gonna make it alright...

But now I sit alone
Just wondering if I've thrown it all away

I didn't mean to hurt you baby
I didn't mean to let you down
No, I didn't mean the things I said or did
No way, no how
I didn't mean to disappoint you
I didn't mean to tell you lies
No, I didn't mean to hurt you baby
And I won't forgive myself
Till I make it alright

Gonna make it alright

Alright now baby
I'm gonna make it alright, baby, yeah
No, no, no, no
You mean more than anything
I can't conceive the thought of losing you

Alright now baby
I'm gonna make it alright, baby, yeah
No, no, no, no
You mean more than anything
