

The Perfect Year

Dina Carroll

Ring out the old
Bring in the new
A midnight wish to share with you
Your lips are warm, my head is light
Were we in love before tonight?

I don't need a crowded ballroom
Everything I need is here, if you're with me
Next year will be the perfect year

No need to hear the music play
Your eyes say all there is to say
The stars can fade
And they can shine
Long as your face is next to mine

I don't need a crowded ballroom
Everything I need is here, if you're with me
Next year will be the perfect year

We don't need a crowded ballroom
Everything I need is here, if you're with me
Next year will be the perfect year

It's New Year's Eve, and hopes are high
Dance one year in, kiss one goodbye
Another chance, another start
So many dreams to tease the heart

We don't need a crowded ballroom
Everything I need is here, if you're with me
Next year will be the perfect year
