

That's All

Dinah Shore

I can only give you country walks in springtime
And a hand to hold when leaves begin to fall
And a love who's burning light will warm your winter nights
That's all, that's all
I am sure there are those who would give you the world and it's
gold for
Your toys
All I have are these arms to enfold you
And a love time can never destroy
If you're wondering what I'm asking in return dear
You'll be glad to hear that my demands are small
Say it's me that you'll adore for now and evermore
That's all. that's all
