

## A Slick Chick (on The Mellow Side)

Dinah Washington

I'm a slick chick  
On a solid kick always lookin' ready  
Man, I'm on the mellow side

I'm a sharp queen  
I make the hep cats scream  
Know just how to send them  
Man, I'm on the mellow side

Now when I start to jivin'  
Beneath a groovy moon  
Jack, you'll holler murder  
And swoon, swoon, swoon

I'm a slick chick  
I know that's the lick  
Gee, I'm a killer  
Man, I'm on the mellow side

Always lookin' ready  
Man, I'm on the mellow side

Yeah, I know just how to send' em  
Man, I'm on the mellow side

Oh, when I start to jivin'  
Beneath a groovy moon  
Jack, you'll holler murder  
And swoon, swoon, swoon

I'm a slick chick  
Don't you know that's the lick  
Gee, but I'm a killer  
Man, I'm on the mellow side
