

## Darn That Dream

Dinah Washington

Darn that dream, I dream each night  
You say you love me and you hold me tight  
But when I awake, you're out of sight  
Darn that dream

Darn your lips and darn your eyes  
They lift me high above the moonlit skies  
Then I tumble out of paradise  
Oh, darn that dream

Darn that crazy one track, mind of mine  
It can't understand that you don't care  
Just to change the mood I'm in  
I'd welcome a nice old nightmare

Darn that dream and bless it too  
Without that dream, I never would have you  
But it haunts me and it won't come true  
Darn that dream

Darn that dream and bless it too  
Without that dream, I never would have you  
But it haunts me and it won't come true  
Darn that dream
