Don't Say Nothing At All

Dinah Washington

If you can't say that you still love me
Don't tell me no lies when you call
If you can't say that you still need me
Then why say anything at all

If you can't say that you're sorry
For all the tears you've caused before
If you can't tell my heart is breakin'
Then why say anything at all

It's better not to speak a word
If those crumbs of tongue cause you pain
It's better not to let it be heard
Those lies you tell in vain

So if you can't say, I'm still your baby
Then all you say on deaf ears fall
Just walk away without a word, dear
And don't say nothin' at all
Please, don't say nothin' at all
