I Understand

Dinah Washington

I understand And darling you are not to blame If when we kiss it's not the same I understand

No it's not your fault Because your heart has changed it's mind You didn't mean to be unkind I understand

Forgetting you Maybe far from easy I've grown so used to your charms I'll miss that old thrill And no one can fill your place Here in my arms

What if you find Our love was really meant to be Then daddy hurry home to me And I'll understand, yes, oh yes Baby I'll understand
