

## Invitation

Dinah Washington

You and your smile  
hold strange invitation  
Somehow it seems  
We've shared our dreams,  
ohh but where?  
Time after time  
in a room full of strangers  
out of the blue  
yeah, suddenly you're there  
Wherever I go,  
you're the glow of temptation  
Clumsing my way  
in the grey of the dawn  
And always your eyes smile  
at strange invitation  
Then you're gone  
Wait! No!  
Where have you gone?  
How long must I stay  
in a world of illusion  
But where are you  
You were so near  
but then you were so far a part  
Hoping you'll say with a warm invitation  
Where have you been, daddy,  
come into my heart
