

My Devotion

Dinah Washington

My devotion
Is endless and deep as the ocean
And like a star shining from afar
Remains forever the same

Oh, my devotion
Is not just a sudden emotion
It will be constantly burning
And your love will kindle the flame

What a sweet beginning
To the dream I had planned
All I own is yours alone
Your wish is my command

And this sensation
Was never a mere fascination
Here in my heart, one sweet day, it started
Then with time improved my devotion to you

Here in my heart, one sweet day, it started
Then with time improved my devotion to you
