

## Romance In The Dark

Dinah Washington

In the dark, it's just you and I  
There's not a sound and there's not one sigh  
Just the beat of my poor heart  
In the dark

Now, in the dark I get such a thrill  
Well, well, when he places his fingertips upon my lips  
And he begs me, "Please be still  
In the dark"

But soon this dance will be ending  
And you're gonna, you're gonna be missed  
Gee, but I'm not pretending  
'Cause I swear it's fun, it's fun to be kissed  
In the dark, in the dark

Now we will find  
Oh, what the rest, what the rest have left behind  
Just let them dance 'cause we're gonna find romance  
In the dark
