

## Get Me

Dinosaur Jr.

I don't see you, I won't call you  
I don't know enough to stall you  
Is it me, or is it all you?  
Guess, it's on and on

On a day, maybe I'd show you  
But it's the least of all I go through  
But the thing is I don't know you  
And it's on and on

Trembling words  
Don't make my eyes close  
And if anyone then you'd know  
I can't find out 'cause it won't show  
And it's on and on  
Every dream is shot by daylight  
And I pray that maybe you're right  
But if you don't, maybe I might  
'Cause it's on and on

When it takes too long  
I lose it I'll just hang while you abuse it  
If you knew then why'd you choose it  
'Cause it's on and on

You're not gonna get me through this are you  
You're not gonna get me through this are you

Anytime I'm there to show you  
But if it takes too long I know you  
Out the door just leavin' me screwed  
And it's on and on  
Everytime I try to fight it It's so hard to seem excited  
And if you don't turn I'll bite it  
And it's on and on

You're not gonna get me through this are you  
You're not gonna get me through this are you

I don't see you, I won't call you I don't know enough to stall you  
Is it me, or is it all you?  
Yes, it's on and on  
Every dream is shot by daylight  
And I pray maybe that you're right  
But if you don't maybe I might  
'Cause it's on and on
