

# I Don't Think So

Dinosaur Jr.

In the morning  
It's the last time that I saw her face  
In that special way to me  
Without a warnin'  
She pulled every trick to name a few  
What was I supposed to be?

I'd like to think she cried for me  
But I don't know  
Her memories won't let me be  
Just can't let go  
In the morning  
Is when I think about her  
Could it be she cried for me?  
I don't think so!

In the evening  
I don't think it was a peaceful scene  
Seemed to me a little rough  
She was leavin'  
But she forgot to leave a piece of me  
I didn't know she was that tough  
I don't know why she'd see me  
I don't know what else to be

I'd like to think she cried for me  
But I don't know  
Her memories won't let me be  
Just can't let go  
In the morning  
Is when I think about her  
Could it be she cried for me?  
I don't think so!

Is there something  
That I could do to make her feel a thing?  
I don't know what to expect  
Guess there's one thing  
I got left but then I could be wrong  
Maybe that's the thing she wrecked  
I don't know why she'd see me  
I don't know what else to be  
Hope she's diggin' being free

But does she cry for me?  
I don't know  
Her memories won't let me be  
Just can't let go  
But in the morning  
Is when I think about her  
Could it be she cried for me?  
I don't know...  
I'd like to think she cried for me  
I don't think so!
