

# I Don't Wanna Go There

Dinosaur Jr.

I don't wanna go there  
I don't wanna go there anymore  
I don't wanna go there  
I don't wanna go there anymore

'cause I'm gone, 'cause I'm gone

You're the one who told me  
You're the one who told me what to say  
Would you come and hold me  
Would you come and show me right away

'cause I'm gone, 'cause I'm gone

And the world it spins around you, I believe it  
And the world it really needs you, now I see it  
And the world it spins around you, I believe it  
And the world it really needs you, now I see it

I don't wanna waste it  
I don't wanna waste it anymore  
Can you help me face  
Help me 'fore I run right for the door

And I'm gone, I'm gone

Should I walk alone  
Should I take it home, should I tell  
It's not gonna know  
It's not gonna go well

'cause I'm gone, 'cause I'm gone  
'cause I'm gone, 'cause I'm gone

And the world it spins around you, I believe it  
And the world it really needs you, now I see it  
And the world it spins around you, I believe it  
And the world it really needs you, now I see it
